

## **NEXT BLOCK ASIA 2.0 Revisits Bangkok; Ends with GURUS Influencer Awards**

NEXT BLOCK ASIA has revisited Bangkok to set the stage for discussions between experts from cryptocurrency, traditional finance, and affiliate industries. Advertisers and affiliate network leaders joined cryptocurrency visionaries and CEOs of successful startups to speak about the future of their industries and discuss synergies.

The conference was a one-day event and took place in Bangkok's epic W Hotel. It was packed with five impactful panel discussions and seven presentations, alongside an expo and coffee zone with nine booths.

36 speakers from 16 countries, including crypto experts such as **Herbert R. Sim** or the Bitcoin Man, **J.D. Salbego**, CEO of Legion Ventures, **Topp Jirayut Srupsrisopa**, Co-founder & CEO at Bitkub Capital Group Holdings Co., as well as traditional finance representatives, like **Daniel Kruger**, Affiliate Development Manager at Vantage FX, **Neo Say Wei**, CEO Neo & Partners Global and RF International Holdings, and big names from the affiliate industry, including **Alex Fedotoff**, a leading Facebook ads strategist for fast-growing e-commerce businesses, **Anthony Sarandrea**, one of the best lead generators in the world and **Anna Gita**, CEO of MaxWeb, one of the fastest-growing affiliate networks - all participated in the comprehensive discussions.

The participants focused on common grounds of Affiliate Marketing and Crypto, and apart from that, a lot of discussions were centered around new trends in payment solutions for affiliates, CFD and online marketing, P2P commerce and using innovative technologies technology in marketing, conversion, and retention.

The conference was sponsored by some of the biggest names in crypto, traditional finance, and the affiliate space, including **XT.com**, **Vantage FX**, **World Markets**, **Tapjets**, **EXW-Wallet**, **Bitbanq** and others.

All the movers and shakers from crypto, finance and affiliate worlds turned W Hotel Bangkok into a fantastic networking hub with tons of business opportunities.

**"Yet another resounding successful conference by Krypton Events under the leadership of Alisa Berezutska, which brought together blockchain first-class delegates and outstanding speakers,"** said Herbert R. Sim, a.k.a. The Bitcoin Man, founder of Crypto Chain University. **"I am glad to have participated, and look forward to future conferences."**

XT Exchange Co-Founder Weber Woo used the opportunity to share his thoughts about regulations pertaining to exchanges: **"Today's Crypto exchange has to be innovative, otherwise, they will not survive. Plus Government regulations should give blockchain industry more time and space, which is good for innovation."**

**"The business value-add of Blockchain technology is trillions of dollars. We are embarking on a new paradigm shift in the transfer of economic value and ownership, and NEXT BLOCK Asia Conference is at the center of this movement,"** said J.D. Salbego, CEO of Legion Ventures.

As per tradition, **NEXT BLOCK ASIA 2.0** culminated in a fabulous **ASIA FASHION PARTY** and the new **GURUS AWARDS**, which recognized online influencers in various fields, with the winners of [influencer awards](#) being:

1. BEST Crypto Legal Consultancy: Tal Itzhak Ron
